Manganese (Mn) .....	4.0%

## INTRODUCTION

IRONMAN Quick Green water soluble concentrate is designed to be dissolved in water before use. For best results apply to plants that are rapidly growing. Application to dormant plants or stressed plants may be least effective.

## DIRECTIONS

Calculate application rates based on tissue or petiole analysis, add IRON MAN to 1/2 of the mix water while agitating, then add remaining water. Wait until IRON MAN is dissolved prior to adding urea or other fertilizers. Use sufficient water for full coverage. Add herbicide as last ingredient while continuing to agitate.

- On plants with waxy leaves the use of a non-ionic wetting agent will aid leaf penetration.
- Spray solution as soon as possible.
- For best results do not irrigate for at least 4 hours following application.
- Do not apply to flowers of bedding plants, shrubs or trees.

## COMPATIBILITY

IRON MAN Quick Green is compatible with most pesticides, herbicides and fertilizers. However avoid mixing with Amine formulation herbicides and high Phosphate fertilizers, unless a jar test has been performed to determine compatibility prior to full scale tank mix.

## CAUTION:

### KEEP OUT OF REACH OF CHILDREN

The seller hereby represents and warrants that the fertilizer shall be manufactured and shipped to purchaser in a form suitable for application to plants, trees and other agricultural crops and hereby further represents and warrants that the fertilizer product shall meet the guaranteed minimum analysis as set forth on the product's identity label.

However, this warranty does not extend to the use of this product contrary to label instructions and the buyer assumes the risk of any such use.

Avoid breathing dust and prolonged exposure to dermis. Do not apply when weather conditions favor drift from areas treated. Do not apply when runoff is likely to occur.

Do not use in a manner or at a time other than in accordance with label directions because animal, plant, or crop injury, illegal residues or other undesirable results may occur.
