

RAPID ROOT NO.3

EPA Reg. No. 70908-2

EPA Est. 70908-CA-1

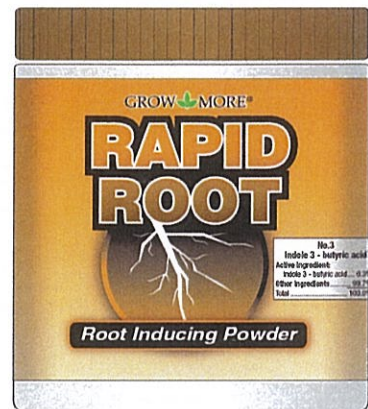

ROOT INDUCING POWDER

No.3

Indole 3 - butyric acid

Active Ingredient:

Indole 3 - butyric acid.... 0.3%

Other Ingredients 99.7%**Total** 100.0%

GENERAL INFORMATION

Grow More Rapid Root No.3 speeds rooting and saves bench time, and that will save you money.

Grow More Rapid Root No.3 is easy to use and has been proven efficient, paralleling nature's own root forming hormone.

Rapid Root No.3 (0.3% I.B.A.)

Treats easy to start plants – Begonia, Geranium, Poinsettia, Bougainvillea, Jasmine, Willow, Rose, and many more species and varieties.

Also treats hard to semi-hard Wood plants - Arbor vitae (Thuja)

See back side for more species and varieties.

DIRECTIONS

It is recommended, that cuttings from the current seasons growth be used, the length should be 4 to 6 inches.

Cutting material should be kept in a fresh condition from the start. Wrap in cloth or immerse in water. Moisten the basal ends of the cuttings and stir ends in **Grow More Rapid Root No.3**. Place treated cuttings in rooting medium such as peat moss or other soil mixes.

SPECIAL FEATURES

- Economical - 1 Lb treats over 30,000 cuttings
- University tested
- One-dip treatment
- EPA Registered

CAUTION

KEEP OUT OF REACH OF CHILDREN.

Keep out of eyes. Do not swallow, do not breath dust. Do not mix with other chemicals not specifically recommended. Do not re-use container. It is recommended that gloves, dust masks and long-sleeved shirts be worn when handling a product that contains Indole butyric Acid.

PACKAGING SIZES

- 1 Lb.
- 5 Lbs.
- 10 Lbs.
- 50 Lbs.
